## **A LOOK** *at the* **BUDGET**

---

On January 19, you are invited to come and look at the 2025 Proposed Budget. This meeting will take place after worship in the Parish Hall. This is a time for questions and answers so please consider attending this very important meeting.

On January 26, our church will hold its annual meeting. This is a time to learn and celebrate what we have done as a congregation by delving into the Leaders' Reports. We also will be voting for Council members and Endowment Committee members.
